

Jon Williams
Managing Director, Head of U.S. Markets
Tradeweb

Jon Williams is Managing Director and Head of U.S. Markets at Tradeweb. Williams joined Tradeweb in 2004 to oversee the TBA-MBS trading platform following the acquisition of Tradeweb by Thomson Financial.

Williams has more than 20 years of experience in institutional finance. Prior to joining Tradeweb, he was at Bloomberg Markets, where he fulfilled a number of roles in the fixed income division, including managing the development and marketing of fixed income analytics, and overseeing order management systems within the Global Product Strategy Group. Previously, Williams was a mortgage-backed trader at Cowen & Company. He began his career in the financial sector at Thomson McKinnon in 1987.

Williams holds a B.A. from Kenyon College.
