

Randy Goldsmith

Managing Director, Global Head of Rates, Equities,
and International Institutional Technology

Randy Goldsmith is Managing Director and Global Head of Rates, Equities, and International Institutional Technology, and a member of the Executive Committee. He is responsible for overseeing Rates Technology initiatives and projects across Interest Rate Swaps, Government Bonds, Repurchase Agreement, Mortgage-Backed Securities and Equities, as well playing a key role in many of the company's emerging products, including prediction markets.

Prior to joining Tradeweb in 2015, he spent more than 10 years at J.P. Morgan's investment bank. He held various roles within Technology, before assuming responsibility for Rates E-Commerce Product Management. He also worked within the New Product Development group driving projects across investment bank business lines.

Randy holds a B.S. from Florida State University.
